👤 Who Can Participate? All students are welcome.

What My Culture Means to Me

Students May Enter In

- Dance Choreography
- Film Production
- Literature
- Music Composition
- Photography
- Visual Arts
- Accessible Arts

How to Get Started

- 1 Choose one arts category.
- 2 Create an original work inspired by the theme.
- 3 Write an artist statement — very important!
- 4 Fill out the PDF entry form and upload it with your artwork to Dropbox — be sure to use the naming convention required in Dropbox.
- 5 Top entries in each category could advance to District, State, or even the National level!

REFLECTIONS CONVERSATION STARTERS

1

What Makes You, You?

What is something about your family that helps make you who you are?

2

Traditions That Connect Us

If you could keep one family tradition forever, what would it be — and why?

3

Tell Me Through Food

Is there a food that reminds you of your family, culture, or a special memory?

4

The Sound of Your Story

What song, sound, music, or saying reminds you of your family or where you come from?

5

A Special Place

What place feels like part of your story? What would you want others to understand about it?

6

What Has Been Passed Down?

What has someone in your family taught you that you hope you never forget?

7

Show Us Your Story

If you could show someone one thing that explains what your culture means to you, what would you choose?

♥ There is no single definition of culture — and no single way to tell your story.

Your Culture. Your Story. Your Art. Your Voice.

Submission Deadline: November 6, 2026

Parents can help start the conversation, but the idea and creative work should belong to the student.
